To partner in
promotion of youth
work because youth
work enables young
people to pursue
values, critical
thinking and
transferable skills.

We are deciding
what are the
limits, and we are
shaping our
solutions.

Y

O

U

T

H

It is important for young people to understand why taking responsibility is important and how much it matters for their future and to be aware why it is essential to participate in processes of decision making on local and national level.
